3-day or 5-day retreat

Your retreat, your way

Gwynn Scheltema

Gwynn is a professional editor, radio producer and host, and an award-winning writer and poet. She has been teaching classes and facilitating workshops for over twenty years. Gwynn brings a remarkable balance of practicality and creativity to everything she does. Gwynn's workshops routinely have a waiting list.

Ruth E. Walker

Ruth's award-winning fiction and poetry appears in national and international journals and magazines. A professional editor, publisher and writer, Ruth has delivered her popular writing workshops from Niagara Region to as far north as Moose Factory. Her novel *Living Underground* was a top ten in Canadian Authors' Association's literary awards.

Together, Gwynn and Ruth bring their signature warmth, expertise and a passion for supporting writers to all their workshops and retreats.

...amazing feedback!; free writing time; workshops & group activities; lively discussions with other writers...
